Daughter of the Moon Goddess Sue Lynn Tan 2022-01-11 The acclaimed national and international bestseller "Epic, romantic, and enthralling from start to finish."—Stephanie Garber, #1 New York Times bestselling author of the Caraval series "An all-consuming work of literary fantasy that is breathtaking both for its beauty and its suspense."—BookPage, starred review A captivating and romantic debut epic fantasy inspired by the legend of the Chinese moon goddess, Chang'e, in which a young woman's quest to free her mother pits her against the most powerful immortal in the realm. Growing up on the moon, Xingyin is accustomed to solitude, unaware that she is being hidden from the feared Celestial Emperor who exiled her mother for stealing his elixir of immortality. But when Xingyin's magic flares and her existence is discovered, she is forced to flee her home, leaving her mother behind. Alone, powerless, and afraid, she makes her way to the Celestial Kingdom, a land of wonder and secrets. Disguising her identity, she seizes an opportunity to learn alongside the emperor's son, mastering archery and magic, even as passion flames between her and the prince. To save her mother, Xingyin embarks on a perilous quest, confronting legendary creatures and vicious enemies. But when treachery looms and forbidden magic threatens the kingdom, she must challenge the ruthless Celestial Emperor for her dream—striking a dangerous bargain in which she is torn between losing all she loves or plunging the realm into chaos. Daughter of the Moon Goddess begins an enchanting duology which weaves ancient Chinese mythology into a sweeping adventure of immortals and magic, of loss and sacrifice—where love vies with honor, dreams are fraught with betrayal, and hope emerges triumphant.

The Road to Shenzhen Huang Guosheng 2017-11-15 It is the early 1990s and Zhou Haonan, an innocent young man from a rural family in China's West Canton Province, travels to the 'golden city' of Shenzhen to seek his fortune. Kind and caring but highly ambitious, he works as an international businessman, becomes a Sanda boxing champion and even sells his blood as he spends the next 20 years striving desperately to achieve his dream of a Shenzhen permanent residence permit and a home of his own. Despite a string of humiliating failures and disasters

and cruel treatment by the women who enter his life, he somehow manages to get back on his feet and carry on through all the setbacks which life throws at him. The Road to Shenzhen is one of very few novels ever to be written in English by a Chinese author who has lived all his life in China.ÿ

China Doesn't Exist Daniel Marques 2014-10-28 As the world continues to evolve in unpredictable directions, but the Portuguese economy remains predictably in permanent decline, as it has been for centuries since the fall from world first place, there is a search for explanations, solutions and answers that seem apparently nonexistent. An analysis of the past reveals numerous causes for the fall of a nation, but this study shows equally or more relevant as the observation of new emerging nations. Against this backdrop, China now presents itself as an example of good economy and society to the Portuguese, even though also in this attitude they are behind many others, which have already passed this stage and start looking for a new possibility in the future post China. The Portuguese investments in the east have been increasing in the same way as before the trade settled in the Lusophone countries like Brazil, Angola and Mozambique. But is this Chinese reality so promising? Many studies conducted in China have overlooked extremely important details that dictate the real scenario of this country. It is based on this hidden truth that this book seeks to portray what really is going on in this new world number one. Although comparing two distinct situations, of two countries also very different in dimensions, there is here further study, such as what two large empires may enable understanding. From the fall of the world longest empire, as is the case of Portugal, to the emergence of a new empire risen from the ashes and poverty, as it's China's situation, much there is to compare in order to achieve better predictions about markets and economies in the world scnerario. Thus, this book shows itself highly relevant and necessary for businessmen and politicians of any country, seeking to establish trade and investment with China, but also for those who want to live and work in this country. This work does not hide many of the most perverse situations of this modern nation and the Chinese way of thinking towards the West, to evidence what the Chinese actually plan for the entire planet. It's an opportunity to get to know this country deeply and what it represents for the future of humanity. This work is based on a study of more than six years, held in various cities from north to south, and consists of numerous interviews with citizens of both countries. But, still presents comparisons relative to other European and Asian countries, mainly in the area of business. This work reveals the truth hidden by the media and fantasy films about the east, beyond the legends, Chinese stories and philosophies, which represent a false image of China, which today exists hidden behind the shadow of the past.

Global Crisis, Local Voices Gabriele Piazza 2019-04-01 In an interconnected and globalized world, the voices of the local communities struggle to make themselves heard on the international stage. But many issues that arise within international relations have consequences for ordinary lives and are therefore closely connected. Climate change, warfare and migration are all examples of this. They are often discussed in abstract terms with relation to international diplomacy, but threaten the actual livelihoods of small communities and ordinary people. This was the setting of the conference 'Global Crisis, Local Voices', held in May 2018. This journal is a compilation of the papers presented at that conference, which was the second 'DEN International Student Conference'. The conference and this publication is one of the many projects that the Democratic Education Network (DEN) is responsible for since its launch in 2016. This book is a collection of diverse works, all written by student authors from a range of different universities. From Democracy and Ideology, to Climate Change and China, it covers numerous concepts, ideas and geographical regions, that are often found in the studies of Politics and International Relations. This book is the result of passion and hard work from all students involved in its production and it is a project that we in DEN are incredibly proud of and hope to continue in the future. "I encourage you to read these publications to catalyse views in you that stimulate great debate that helps you become part of the compassionate, progressive and responsible movement of young people that will help overcome injustices in the world and make the world a better place." Dr Peter Bonfield OBE FREng Vice-Chancellor and President University of Westminster

Rising Son Janita Lo 2011-05 Daughter recounts father's life as Chinese legend in historical novel. Fulfilling her father's last wish, Janita Lo shares his real life stories in "Rising Son: Reflections of a Chinese Gentleman Warrior." HOUSTON - Based on the true first-hand accounts of Khan Ling and his wife, Che Yu, Janita Lo has lovingly combined her parent's stories into a cohesive work of historical fiction, "Rising Son: Reflections of a Chinese Gentleman Warrior" (ISBN: 0615426042). "I am Khan Ling, son of Khan Bei, a descendant of Genghis Khan; the only heir of my grandfather, Khan Gong Shun, Royal Army Commander of the Ch'ing Dynasty and of my grandmother, Princess May Szee, granddaughter of the Emperor Xianfeng...These are merely the particulars of my lineage. It is not so much the people, but rather the circumstances and my own choices that have made me who I am today." Thus begins the story of Khan Ling. In "Rising Son: Reflections of a Chinese Gentleman Warrior," Lo tells the story of her father, Khan Ling, in his own voice, bringing life to the stories he told her as a child. Ranging through the turmoil of late 1800's Ch'ing (Qing) Dynasty in China to the early 19th century, the story of Khan Ling is a tale of bravery, excitement and intrigue, but also a tale of loss and loneliness. Lo, speaking in the voice of her father, aims to express the longings of a young boy growing to adulthood in the tumultuous era before and including World War II. Khan was born in a Buddhist temple to a Chinese father and a Japanese mother. After the death of his father, Khan was reared at the temple by the monks who lived and studied there. Though surrounded by caring teachers, he missed the comfort and care of his mother and father. Later on he would lose his mother to tragedy. These events would color his life and exploits throughout a long life. Khan Ling served in the Chinese intelligence department under Chiang Kai-shek in the conflict with Japan. During this time, China was debating the role of Western influences as the country shifted from dynastic rule into an industrialized society. Throughout these events, Ling struggled with the internal conflict of his half-Chinese and half-Japanese lineage, though he did eventually place his loyalty firmly with China. He fought against the Japanese underground and was able to help release many Chinese families held captive by the Japanese in Hong Kong from 1943-1945. "This is more than a story about a man of heroic achievement," says Lo. "It's a study of the human soul, about young love, romance, chivalry, loss, longing and the desire for the nurturing of a family." This story provides a rich, textured look at the human experience as well as the exciting, enigmatic life of a local legend from royal lineage whose name was omitted from Chinese history books due to the misconceptions that surrounded him. Honestly and with historical accuracy, Lo takes her readers to Khan's China, where danger and opportunity walked hand in hand; where a young Chinese gentleman fulfilled his destiny. Lo lets readers experience the mysterious Chinese culture: patriotism, heroism, bravery, compassion, love, romance and the power of the human spirit under extraordinary circumstances in "Rising Son: Reflections of a Chinese Gentleman Warrior." The historical information in this manuscript is authentic. The main characters heroic and humanitarian accomplishments are painstakingly recounted through the tales told by her late father, Khan Ling. "Rising Son," would appeal to readers who enjoy the real-live drama of historical accounts and personal memoirs. Educational and enlightening in so many respects, "Rising Son" is a timely addition to the literary world and contemporary reader's bookshelf especially considering the growing importance of China in our everyday lives.

The Unfinished Revolution Minky Worden 2012-03-06 "It's a time of change in the world, with dictators toppling and new opportunities rising, but any revolution that doesn't create equality for women will be incomplete. The time has come to realize the full potential of half the world's population." —Christiane Amanpour, from the foreword The Unfinished Revolution tells the story of the global struggle to secure basic rights for women and girls, including in the Middle East where the Arab Spring raised high hopes, but the political revolutions are so far insufficient to guarantee progress. Around the world, women and girls are trafficked into forced labor and sex slavery, trapped in conflict zones where rape is a weapon of war, prevented from attending school, and kept from making deeply personal choices in their private lives, such as whom and when to marry. In many countries, women are second-class citizens by law. In others, religion and traditions block freedoms such as the right to work, study or access health care. Even in the United States, women who are victims of sexual violence often do not see their attackers brought to justice. More than 30 writers—Nobel Prize laureates, leading activists, top policymakers, and former victims—have contributed to this anthology. Drawing from their rich personal

experiences, they tackle some of the toughest questions and offer bold new approaches to problems affecting hundreds of millions of women. This volume is indispensable reading, providing thoughtful analysis from a never-before assembled group of advocates. It shows that the fight for women's equality is far from over. As Leymah Gbowee, 2011 Nobel Peace Prize Laureate says, "Women are not free anywhere in this world until all women in the world are free."

Competing Voices from the Russian Revolution: Fighting Words Michael C. Hickey 2010-12-21 This new collection of documents helps students understand the complex texture of Russian public rhetoric and popular debate during World War I and the 1917 Revolution. • More than 300 original documents from the national and local press and from unpublished provincial archival materials, all carefully edited and annotated and either translated into English for the first time or presented in new translations • A chronology of major events in Russia for the period from summer 1914 to mid-January 1918 • Cartoons that appeared in the national and local press in 1917 • A map of Russia in 1917 showing the locations of important cities and geographical features

Take Me to China Katie Kahn 2015-11-19 "Take Me to China" is the eighth book in the World Adventures Series which strives to introduce cultural ideas to young children. Each book is beautifully illustrated to show unique features of each particular country including customs, native plants and animals, clothing, exports, traditions and other cultural differences. The series was created by poet, Katie Kahn, and her daughter who loves animals and adventure. Kahn helped her daughter incorporate her research into a poem. That poem sparked an entire series based on places 11 year-old Autumn wants to go when she grows up.

The Struggle for Democracy Edward S. Greenberg 2001-08

Under Red Skies Karoline Kan 2019-03-12 A deeply personal and shocking look at how China is coming to terms with its conflicted past as it emerges into a modern, cutting-edge superpower. Through the stories of three generations of women in her family, Karoline Kan, a former New York Times reporter based in Beijing, reveals how they navigated their way in a country beset by poverty and often-violent political unrest. As the Kans move from quiet villages to crowded towns and through the urban streets of Beijing in search of a better way of life, they are forced to confront the past and break the chains of tradition, especially those forced on women. Raw and revealing, Karoline Kan offers gripping tales of her grandmother, who struggled to make a way for her family during the Great Famine; of her mother, who defied the One-Child Policy by giving birth to Karoline; of her cousin, a shoe factory worker scraping by on 6 yuan (88 cents) per hour; and of herself, as an ambitious millennial striving to find a job--and true love--during a time rife with bewildering social change. *Under Red Skies* is an engaging eyewitness account and Karoline's quest to understand the rapidly evolving, shifting sands of China. It is the first English-language memoir from a Chinese millennial to be published in America, and a fascinating portrait of an otherwise-hidden world, written from the perspective of those who live there.

Documentaries and China's National Image Chen Yi 2022-08-30

Emphasizing the role of documentary in shaping a nation-state's image, demonstrating social development and promoting cultural exchanges, this book examines the changes in China's national image in documentaries at home and abroad since 1949. Based on theoretical frameworks of media sociology, political economy of communication and cultural studies, the book traces the development of Chinese documentary and discusses social transformation and cultural representation embodied in documentaries related to China. It is revealed how these works witness, reflect and interact with social transitions in all aspects of a modernizing China, as well as how documentary production struggles among and mediates between technology, market, ideology, social forces and professionalism. In terms of future prospects of documentary in an era when media convergence is burgeoning, the author explores feasible paths to further promotion of cross-cultural communication and China's national image, by analyzing documentary aesthetics and representative cases of documentary practice. The title will appeal to scholars and students interested in culture and communication, documentary, film, media and Chinese society.

China and the American Dream Richard Madsen 1995-03-08 From the "Red Menace" to Tiananmen Square, the United States and China have long had an emotionally tumultuous relationship. Richard Madsen's frank and innovative examination of the moral history of U.S.-China relations targets the forces that have shaped this surprisingly strong tie between two strikingly different nations. Combining his expertise as a sinologist

with the vision of America developed in *Habits of the Heart* and *The Good Society*, Madsen studies the cultural myths that have shaped the perceptions of people of both nations for the past twenty-five years. The dominant American myth about China, born in the 1960s, foresaw Western ideals of economic, intellectual, and political freedom emerging triumphant throughout the world. Nixon's visit to China nurtured this idea, and by the 1980s it was helping to sustain America's hopefulness about its own democratic identity. Meanwhile, Chinese popular culture has focused on the U.S., especially American consumer goods—Coca-Cola was described by the *People's Daily* as "capitalism concentrated in a bottle." Today we face a new global institutional and cultural environment in which the old myths no longer work for either Americans or Chinese. Madsen provides a framework for us to think about the relationship between democratic ideals and economic/political realities in the post-Cold War world. What he proposes is no less than the foundation for building a public philosophy for the emerging world order.

Let 100 Voices Speak Liz Carter 2015-07-16 From the Occupy movement in the Western world to the Arab Spring and the role of Twitter in the Middle East, the internet and social media is changing the global landscape. China is next. Despite being a heavily-censored society, China has over 560 million active internet users, more than double that of the USA. In this book, social media expert and China-watcher Liz Carter tells the story of how the internet in China is leading to a coming together of activists, ordinary people and cultural trendsetters on a scale unknown in modern history. News about protests and natural disasters, or gossip and satirical jokes, are practically uncensorable and spread quickly through Weibo - the Chinese Twitter - and the Chinese internet underground. More than that, a grassroots, foundational shift of assumptions and expectations is taking place, as Chinese men and women cast off the communistera 'stability at all costs' mantra and find new forms of selfexpression, creativity and communication with the world.

Dream of Ding Village Yan Lianke 2011-01-04 Officially censored upon its Chinese publication, and the subject of a bitter lawsuit between author and publisher, *Dream of Ding Village* is Chinese novelist Yan Lianke's most important novel to date. Set in a poor village in Henan province, it is a deeply moving and beautifully written account of a blood-selling ring in contemporary China. Based on a real-life blood-selling scandal in eastern China, *Dream of Ding Village* is the result of three years of undercover work by Yan Lianke, who worked as an assistant to a well-known Beijing anthropologist in an effort to study a small village decimated by HIV/AIDS as a result of unregulated blood selling. Whole villages were wiped out with no responsibility taken or reparations paid. *Dream of Ding Village* focuses on one family, destroyed when one son rises to the top of the Party pile as he exploits the situation, while another son is infected and dies. The result is a passionate and steely critique of the rate at which China is developing and what happens to those who get in the way.

Asian Voices in English Mimi Chan 1991-08-01 A selection of papers presented at the Symposium on English Literature by Asian authors entitled *Asian Voices in English* held at The University of Hong Kong, 27-30 April 1990. Two kinds of writing experience are focused upon: one is the experience of post-colonial writers, who are re-appropriating the English language for their own cultural purposes. The other is the experience of immigrant writers, who bring an Asian view to bear on the culture of the English-speaking countries in which they live.

Iron Widow Xiran Jay Zhao 2021-10-07 Instant New York Times No.1 Bestseller Science fiction and East Asian myth combine in this dazzling retelling of the rise of Wu Zetian, the only female emperor in Chinese history. 'This is the historical-inspired, futuristic sci-fi mash-up of my wildest dreams.' Chloe Gong 'Raging against the patriarchy in spectacular style.' Observer, best books of the year 'Think *The Handmaid's Tale* meets *Pacific Rim* and buckle up.' Shelley Parker-Chan 'Like its ferocious heroine, *Iron Widow* is brutal, bloodthirsty and full of rage.' Julie C. Dao I have no faith in love. Love cannot save me. I choose vengeance. The boys of Huaxia dream of pairing up with girls to pilot Chrysalises - giant transforming robots that battle aliens beyond the Great Wall. It doesn't matter that their female co-pilots are expected to serve as concubines and often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, her plan is to assassinate the ace male pilot responsible for her sister's death. But after miraculously surviving her first battle, Zetian sets her sights on a mightier goal. The time has come to stop more girls from being sacrificed.

Globalization after the Pandemic Qin Hui 2021-08-30 The coronavirus

pandemic that broke out in 2019 has finally calmed down in China, after the bungling occasioned by the iron hand of lockdown. But beginning in March 2020, the disaster spread abroad, and at present there is no end in sight. Discussions of the changes the pandemic brings to the world, and how "plagues change history," are a hot topic everywhere. In this book, Prof. Qin Hui offers a stunning reflection on the impact of the coronavirus pandemic on political institutions, which are well worth pondering for both China and the West. China, with its "low human rights advantage," has achieved success in imposing coercive lockdowns that got the virus under control after the disastrous outbreak in Wuhan, but it will be a challenge to prevent the normalization of emergency measures from worsening human right conditions in normal times. The West, handicapped by its "human rights (dis)advantage," must learn how a democracy can efficiently enter a state of emergency and put an end to these measures at the proper time. QIN HUI is Retired Professor in Department of History, Tsinghua University, and is now Adjunct Professor in the Department of Government and Public Administration, the Chinese University of Hong Kong. David Ownby is Professor of History and Director of the Center of East Asian Studies at the University of Montreal.. an

Chinese American Voices Judy Yung 2006 "Skillfully selected, translated, and annotated, this compelling compendium of voices bear witness to the diversity and depth of the Chinese American experience and, significantly, its indispensable centrality to American life and history."--Gary Y. Okihiro, author of *Common Ground: Reimagining American History* "Here at last is a wide-ranging record of Chinese American experiences from the viewpoints of the players. Chinese American Voices is an impressive feat of scholarship, an indispensable reference, and a compelling read."--Ruthanne Lum McCunn, author of *Thousand Pieces of Gold* and *The Moon Pearl* "This anthology offers a virtual "Gam Saan" (Gold Mountain) of original sources. The stories burst with telling and re-affirm a vision of men and women as actors in history, who made themselves as Chinese Americans as they helped to make America itself."--Ronald Takaki, author of *Strangers from a Different Shore: A History of Asian Americans* "This volume of sixty-two annotated documents, many translated from Chinese for the first time, is a boon to faculty and students interested in Chinese American history, Asian American history, U.S. immigration history, and race and ethnic relations. The life stories, in particular, are appealing for students, the reading public, and scholars alike as they hear the voices of individuals long misunderstood, denigrated, and silenced. All of us owe a debt of gratitude to the three editors for their dedicated labor of love."--Sucheng Chan, author of *Chinese American Transnationalism: The Flow of People, Resources, and Ideas between China and America during the Exclusion Era* "This is a superb collection."--Roger Daniels, author of *Guarding the Golden Door: American Immigration Policy and Immigrants since 1882*

Voices from Tibet Tsering Woeser 2014-01-01 'Voices from Tibet' assembles essays and reportage in translation that capture many facets of the upheavals wrought by a rising China upon a sacred land and its pious people. With the TAR in a virtual lockdown after the 2008 unrest, this book sheds important light on the simmering frustrations that touched off the unrest and Beijing's relentless control tactics in its wake. The authors also interrogate long-standing assumptions about the Tibetans' political future. Woeser's and Wang's writings represent a rare Chinese view sympathetic to Tibetan causes. Their powerful testimony should resonate in many places confronting threats of cultural subjugation and economic domination by an external power.

Jannah Jewels Book 2 Umm Nura 2012 In the second book of the Jannah Jewels Series, the girls are caught and thrown aboard the ship of Zheng He, the famous Chinese Muslim Admiral. Caught in a lightning thunderstorm, they must sail in raging waters to retrieve a rare medicine plant. Can the Jannah Jewels escape the fiery arrows of pirates and make it safely back home?

American Overdose Chris McGreal 2018-11-13 A comprehensive portrait of a uniquely American epidemic -- devastating in its findings and damning in its conclusions The opioid epidemic has been described as "one of the greatest mistakes of modern medicine." But calling it a mistake is a generous rewriting of the history of greed, corruption, and indifference that pushed the US into consuming more than 80 percent of the world's opioid painkillers. Journeying through lives and communities wrecked by the epidemic, Chris McGreal reveals not only how Big Pharma hooked Americans on powerfully addictive drugs, but the corrupting of medicine and public institutions that let the opioid makers get away with it. The starting point for McGreal's deeply reported investigation is the miners promised that opioid painkillers would restore

their wrecked bodies, but who became targets of "drug dealers in white coats." A few heroic physicians warned of impending disaster. But *American Overdose* exposes the powerful forces they were up against, including the pharmaceutical industry's coopting of the Food and Drug Administration and Congress in the drive to push painkillers -- resulting in the resurgence of heroin cartels in the American heartland. McGreal tells the story, in terms both broad and intimate, of people hit by a catastrophe they never saw coming. Years in the making, its ruinous consequences will stretch years into the future.

China Dreams William A. Callahan 2015-04-01 After celebrating their country's three decades of fantastic economic success, many Chinese are now asking, "What comes next?" How can China convert its growing economic power into political and cultural influence around the globe? William A. Callahan's *China Dreams* gives voice to China's many different futures by exploring the grand aspirations and deep anxieties of a broad group of public intellectuals. Stepping outside the narrow politics of officials vs. dissidents, Callahan examines what a third group--"citizen intellectuals"--think about China's future. *China Dreams* eavesdrops on fascinating conversations between officials, scholars, soldiers, bloggers, novelists, film-makers and artists to see how they describe China's different political, strategic, economic, social and cultural futures. Callahan also examines how the PRC's new generation of twenty- and thirty-somethings is creatively questioning "The China Model" of economic development. The personal stories of these citizen intellectuals illustrate China's zeitgeist and a complicated mix of hopes and fears about "The Chinese Century," providing a clearer sense of how the PRC's dramatic economic and cultural transitions will affect the rest of the world. *China Dreams* explores the transnational connections between American and Chinese people, providing a new approach to Sino-American relations. While many assume that 21st century global politics will be a battle of Confucian China vs. the democratic west, Callahan weaves Chinese and American ideals together to describe a new "Chimerican dream."

Three-Stone Games Guo Bailing 2013-12-29 An English translation of the classic Chinese go textbook, *Sanzi Pu*, written by go master Guo Bailing (c. 1587 - c. 1662). This book contains hundreds of diagrams from Guo's research on three-stone handicap games and 5 game records. It was customary to place the three stones at star points along the diagonal of the board, i.e. two diagonal hoshis plus tengen. Many of the variations contain dozens of moves (occasionally more than 100), as a result of quarter-board or even half-board fights. Particular emphasis is placed on the coordination of the tengen stone. Be prepared for a showcase of tesuji and semeai skills in these intense battles! Table of Contents: Foreword Preface to Three-Stone Handicap Games (by Cheng Guangzhu) Preface to Three-Stone Handicap Games (by Wu Xinju) Foreword to Three-Stone Handicap Games (by Cheng Zhengkui) History of Three-Stone Games Big Corner Diagram (44 variations) Big Pressure Beam (50 variations) Resupinate Lily (60 variations) Large-Knight Corner Approach (50 variations) Three-Stone Games (5 games) 146 pages Sensei's Library: <http://senseis.xmp.net/?ThreeStoneGames>

Last Night at the Telegraph Club Malinda Lo 2021-01-19 'Lo's writing

. . . shimmers with the thrills of youthful desire. A lovely, memorable novel' - Sarah Waters, author of *Tipping the Velvet* and *The Night Watch*. 'An instant classic, the finest LGBTQIA+ romance I've read in ages.' - Bill Konigsberg, award-winning author of *The Music of What Happens* and *The Bridge* From the award winning author of *Ash* comes a gripping story of love and duty set in San Francisco's Chinatown during the 1950s. Seventeen-year-old Lily Hu can't remember exactly when the question took root, but the answer was in full bloom the moment she and Kathleen Miller walked under the flashing neon sign of a lesbian bar called the Telegraph Club. America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father - despite his hard-won citizenship - Lily and Kath risk everything to let their love see the light of day.

Slavery and the Commerce Power David L. Lightner 2006-01-01 Born in Warsaw, raised in a Hasidic community, and reaching maturity in secular Jewish Vilna and cosmopolitan Berlin, Abraham Joshua Heschel (1907-1972) escaped Nazism and immigrated to the United States in 1940. This lively and readable book tells the comprehensive story of his life and work in America, his politics and personality, and how he came to influence not only Jewish debate but also wider religious and cultural debates in the postwar decades. A worthy sequel to his widely-praised biography of Heschel's early years, Edward Kaplan's new volume draws on previously unseen archives, FBI files, interviews with people who knew Heschel, and analyses of his extensive writings. Kaplan explores Heschel's shy and private side, his spiritual radicalism, and his vehement defence of the Hebrew prophets' ideal of absolute integrity and truth in ethical and political life. Of special interest are Heschel's interfaith activities, including a secret meeting with Pope Paul VI during Vatican II, his commitment to civil rights with Martin Luther King, Jr., his views on the state of Israel, and his opposition to the Vietnam War. A tireless challenger to spiritual and religious complacency, Heschel stands as a dramatically important witness.

Leaving the World to Enter the World Mark Leenhouts 2005 *Leaving the World to Enter the World* focuses on the fictional and theoretical writings of Han Shaogong, one of the most striking voices in contemporary Chinese literature. Han played a central role in the 'root-seeking' trend that dominated the literary scene of the People's Republic of China in the mid-1980s. His work has won him acclaim from a wide range of readers in Chinese and other languages, a highlight being the 1996 novel *Dictionary of Maqiao*. Critics have labeled Han the leader of a nationalist movement in search of a cultural identity. Mark Leenhouts shows that Han's role is much more complex, demonstrating that his literary practice is a highly individual, creative continuation of Chinese tradition. Han's personal style transcends the narrow boundaries of root-seeking as it has been portrayed in literary histories and criticism to date. This rectification of the one-sided image of Han Shaogong has profound implications for the significance of root-seeking literature, and for questions of tradition and modernity that have been among the most hotly debated topics in Chinese literary, intellectual and political thought throughout the 20th century. *Leaving the World to Enter the World* does justice to the individuality of the literary author by taking the intrinsic structure of the literary work as its starting point. Leenhouts' close textual analysis, as intelligent and pragmatic as it is sensitive, will help counterbalance the socio-political orientation typical of much recent research. By seeing Han Shaogong as a writer rather than a mouthpiece of historical forces, this book opens up new perspectives for enjoying his literary mastery.

Red Chamber, World Dream Jing Sun 2021-03-08 A new, interdisciplinary way of looking at Chinese foreign policy

Fighting for the Dream Victoria Moy 2014-11-04 *Fighting for the Dream* is a collection of oral histories of 40 Chinese American men and women - ages 24 to 94 - who served in wars from World War II to conflicts in Afghanistan. These individuals defied boundaries, went against their cultural grain, and changed history. Through their personal stories, we see a greater tapestry that is the story of America in the last hundred years. This collection includes interviews with the first Asian American general (John Fugh), the first Asian American Assistant Secretary of Defense for Force Management Policy (Frederick Pang), the first Asian American full unrestricted Marine (Kurt Lee), the first Asian American

National Commander of the American Legion (Fang Wong), the first Asian American judge in New York State (Randall Eng), as well as some of the 20,000 Chinese Americans - a quarter of the Chinese American population at the time - who served during World War II. This collection also features the stories of: World War II veterans Genson Lum, Peter Woo, Kay Wong Chin, Dr. Wing Mar, Al Chinn, Earl Jung, Tom Wah Sun Lew, Mack Pong, Sam Jue, Richard Y.W. Chin, Richard Goon, Lester Fong, Elsie Seetoo, Wayne H. Wong Korean War veterans Kurt Lee, Rita K. Chow Vietnam War veterans John Gerald Miki, David J. Louie, Gabe Mui, Richard Wong, Thomas Wing Persian Gulf War veterans Tony Lee, Mimi Wang Iraq & Afghanistan veterans Chi Szeto, Pakee Fang, Michael Chan, See-wan Szeto, Welton Chang, Wilem Wong, Cindy Wu, Howard Chin, Cliff Chen, Juliet Shum, Mo Pan, Astrid Szeto, William Chan *Wings Over Asia 2* China National Aviation Association Foundation 2016-09-13 *Wings Over Asia: A Brief History of the Chinese National Aviation Corporation* is a sometimes moving, sometimes rollicking, sometimes heart-stopping, account of a critical part of the history of WWII. Told in their own words by the daring pilots who flew over The Hump to keep China fighting the invading Japanese, these stories bring that era alive in a way no technical history book could.

When The Emperor Was Divine Julie Otsuka 2012-04-05 Longlisted for the Orange Prize for Fiction It is four months after Pearl Harbour and overnight signs appear all over the United States instructing Japanese Americans to report to internment camps for the duration of the war. For one family it proves to be a nightmare of oppression and alienation. Explored from varying points of view - the mother receiving the order to evacuate; the daughter on the long train journey; the son in the desert encampment; the family's return home; and the bitter release of their father after four years in captivity - it tells of an incarceration that will alter their lives for ever. Based on a true story, Julie Otsuka's powerful, deeply humane novel tells of an unjustly forgotten episode in America's wartime history.

China Dreams Chih-Shian Liou 2015-01-29 With the theme "China Dreams: Opportunities and Challenges," this book contributes to emerging debates on Chinese new leadership's adaptability to important political, economic, social, and global issues. Can China's political system sustain "China Dreams", a slogan ushered by Chinese President Xi Jinping? Does the fulfillment of "China Dreams" require political reform? Does the initiation of the agenda of "China Dreams" facilitate China's economic transition? To what extent does "China Dreams" pave the way for China's peaceful rise? By exploring the preceding questions, the essays by Lowell Dittmer, Thomas Gold, Victoria Tin-bor Hui, Chin-fu Hung, Scott L Kastner, Huey-Lin Lee & Scott Y Lin, Chih-shian Liou, Raviprasad Narayanan, Kellee S Tsai, and Chung-min Tsai provide a comprehensive analysis of the agenda of China's new leadership. Contents: China Dreams and China's Global Roles: The China Dream: Revival of What Historical Greatness? (Victoria Tin-bor Hui) China's Dream, China's World (Lowell Dittmer) Dreams or Reality? A Preliminary Exploration of the Relationship between China's Growing Economic Power and Its Political Influence in Developed Countries (Scott L Kastner) China Dreams and China's Political Systems: Streamlining the Leviathan: The China Dream and Super-Ministry Reform (Chih-shian Liou) The "China Dream" in the Xi-Li Administration in the Information Age: Shared Dreams or Same Bed, Different Dreams? (Chin-fu Hung) "China Dreams": Political Slogan or Flight of Fancy? (Raviprasad Narayanan) China Dreams and China's Economic Transitions: The China Dream: Tigers, Flies, and Other Challenges to Economic Reform (Kellee S Tsai) Market Development and the China Dream: State-Business Relationship and Regulatory Capacity in China (Chung-min Tsai) Microfinance and the China Dream (Thomas B Gold) Weighing up Market Mechanism and Regulated Distribution: A China Dream to Feed Itself under Spatially Imbalanced Development (Huey-Lin Lee and Scott Y Lin) Readership: Academics, professionals, undergraduate and graduate students interested in China's political system, China's new leadership and agenda of "China Dreams". Key Features: A timely and comprehensive treatment of the issues associated with "China Dreams" In-depth analyses by leading scholars in China Studies Keywords: The China Dream; Xi Jinping; Chinese Leadership; Chinese Communist Party; China Reviews: "In this timely and pioneering publication, the authors asked the questions of where China wants to go and where it is actually going. While Mr Xi Jinping's 'China Dreams' suggested an all-encompassing China agenda, the imagination, interpretation and realization of the Dreams have been far more dynamic and not necessarily coherent. This well-edited volume covers key areas of China's political, economic and social development under Xi's leadership.

The collection stands out in its balanced treatment of both the state and grassroots actors, and both the shared and separate dreams. It also makes a great contribution to the literature on Global China, as much of the 'China Dreams' is inevitably connected with the dreams of other peoples and countries." You-tien Hsing Professor of Geography Pamela P Fong and Family Distinguished Chair in China Studies Chair of Center for Chinese Studies University of California at Berkeley "Written by leading scholars of Chinese politics, economics, history, and society, this volume is one of the first to analyze Chinese leader Xi Jinping's notion of 'China Dreams'; Exploring both the content and likely impact of Xi's 'China Dreams', the authors paint a multifaceted picture of China's historical development, current status, and future trajectory — both domestically and internationally. Their findings suggest that China's leaders face substantial challenges, and that the realization of Xi's 'Dreams' may not be smooth. Some groups and vested interests appear determined to resist or redirect Xi's 'Dreams'. And there are signs that conflict and tension may accelerate, not only between the Chinese party-

state and its people, but also within the party-state, and between China and other countries. For readers seeking a wide range of perspectives on China's rise, this volume provides much food for thought." Teresa Wright Chair and Professor of Political Science, California State University *Culture, Music Education, and the Chinese Dream in Mainland China* Wai-Chung Ho 2018-01-04 This book focuses on the rapidly changing sociology of music as manifested in Chinese society and Chinese education. It examines how social changes and cultural politics affect how music is currently being used in connection with the Chinese dream. While there is a growing trend toward incorporating the Chinese dream into school education and higher education, there has been no scholarly discussion to date. The combination of cultural politics, transformed authority relations, and officially approved songs can provide us with an understanding of the official content on the Chinese dream that is conveyed in today's Chinese society, and how these factors have influenced the renewal of values-based education and practices in school music education in China.
