Pinocchio, the Tale of a Puppet Carlo Collodi 2011-02 *Pinocchio, The Tale of a Puppet* follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life

of *Pinocchio*, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of *Pinocchio*, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by *Pinocchio*. It includes 40 illustrations.

Resetting Our Future: Zero Waste Living, The 80/20 Way Stephanie J. Miller 2020-10-30 Many of us feel powerless to solve the looming climate and waste crises. We have too much on our plates, and may think these problems are better solved by governments and businesses. This book unlocks the potential in each "too busy" individual to be a crucial part of the solution. Stephanie Miller combines her career focused on climate change with her own research and personal experience to show how a few, relatively easy lifestyle changes can create significant positive impact. Using the simplicity of the 80/20 rule, she shows us those things (the 20%) that we can do to make the biggest (80%) difference in reversing the climate and waste crises.

The Law of Priorities John C. Maxwell 2012-08-27 Jack Welch took a company that was already flying high and rocketed it into the stratosphere. What did he use as the launching pad? *The Law of Priorities*, of course. *Less Doing, More Living* Ari Meisel

2014-04-03 "Less is more"—or, more specifically, the less you have to do, the more life you have to live. Efficiency expert Ari Meisel details his "Less Doing" philosophy, which will streamline your life, and make everything easier. In business and our personal lives, it often seems as if the only way to get more done is by putting in more time—more hours at the office, more days running errands. But what if there were a way that we could do less, and free up more time for the things and people we love? If this sounds like what you need, Ari Meisel—TEDx speaker, efficiency consultant, and achievement architect—has the program for you. In *Less Doing, More Living*, Meisel explores the fundamental principles of his “Less Doing” philosophy, educating the reader on: Optimizing workflow with twenty-first-century apps and tools Creating an “external brain” in the Cloud to do all of your “lower” thinking—like keeping track of appointments, meetings, and ideas How to use technology to live a paper-free life The three fundamentals of wellness—fitness, sleep, and nutrition—and technological approaches to improving these areas of life And so much more! This book will give readers new tools and techniques for streamlining their workload, being more efficient in their day-to-day activities, and making everything in life easier. *Beyond the 80/20 Principle* Richard Koch 2020-08-06 Millions of highly effective people around the world have read Richard Koch's global bestseller *THE 80/20 PRINCIPLE* and enjoyed a serious advantage in the pursuit of success. Now, *BEYOND THE 80/20 PRINCIPLE* (previously published as *The 80/20 Principle* and *92 Other Powerful Laws of Nature*) takes you even further. Including the 80/20 Principle itself - the radical power law that helps you achieve more by doing less - *BEYOND THE 80/20 PRINCIPLE* reveals 92 more universal scientific principles and laws that will help you achieve personal success in an increasingly challenging business environment. From natural selection to genes and

memes, *BEYOND THE 80/20 PRINCIPLE* demonstrates, in theory and in practice, what science can teach you about business and success. It includes: * Evolution by Natural Selection * Business Genes * Gause's Laws * Evolutionary Psychology * Newton's Laws * Relativity * Quantum Mechanics * Chaos * Complexity * The Tipping Point * Increasing Returns * Unintended Consequences 'Richard Koch delivers some sharp cross-disciplinary comparisons and knows his onions on both sides of the business/science fence... 80/20 Your Life: Get More Done With Less Effort, Time, and Action Nick Trenton 2020-10-13 Uncover what really matters and completely eliminate what doesn't. It's too easy to get caught in the tiny details that we think matter. This is like getting caught in the trees and not being able to see the forest. When you can apply the 80/20 Rule to your life, your personal effectiveness will skyrocket in every aspect. More of the results you want with less action and effort. This book will teach you how to analyze every single aspect of your life to determine what actions and mindsets you need for the success you want, and how to ruthlessly discard the rest. You will gain a blueprint for how to optimize every part of your waking life, from health, to social life, to finances, to business and career. Learn how less can certainly be more. Nick Trenton grew up in rural Illinois and is quite literally a farm boy. His best friend growing up was his trusty

companion Leonard the dachshund. RIP Leonard. Eventually, he made it off the farm and obtained a BS in Economics, followed by an MA in Behavioral Psychology. Defeat overwhelm and frustration, and find the rewarding lifestyle you always wanted.

Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Learn how living the 80/20 way can help you find happiness and success by simply doing less. Like most people in today's society, you may be tired of the daily grind. You simply wake up, head to work, sit at your desk all day, head home, eat dinner, go to bed, and do it all again the next day. There has to be more, right? Well, according to Koch, we are living life all wrong; instead of working to live, we live to work. We spend most of our time exerting our energy at work, only to find that when we get home, we are too exhausted and to give our best selves to our families and friends. Here's where the 80/20

principle comes in. The 80/20 principle refers to the observation that roughly 80 percent of results stem from 20 percent of causes. For example, the world's top 20 percent of people generate 80 percent of the world's wealth. While this principle has been used successfully in the business and economics world, it can now be applied to the lives of any individual. In other words, we can achieve more by doing less. As you read, you'll learn how to find your happiness islands, how to save money like the wealthy, and lastly, how living a simple life may be the key to success.

Anna Karenina graf Leo Tolstoy 1966 A married woman falls blindly in love with a handsome military officer. Happy families are all alike; every unhappy family is unhappy in its own way. States Leo Tolstoy in his great modern novel of an adulterous affair set against the backdrop of Moscow and St. Petersburg high society in the later half of the nineteenth century. A sophisticated woman who is respectably married to a government bureaucrat, Anna begins a passionate, all-consuming involvement with a rich army officer. Refusing to conduct a discreet affair, she scandalizes society by abandoning both her husband and her young son for Count Vronsky--with tragic consequences. Running parallel is the story of the courtship and marriage of Konstantin Levin (the melancholy nobleman who is Tolstoy's stand-in) and Princess Kitty Shcherbatsky.

The Awakening Kate Chopin 2016-07-04 The Awakening, originally titled A Solitary Soul, is a novel by Kate Chopin, first published in 1899. Set in New Orleans and on the Louisiana Gulf coast at the end of the 19th century, the plot centers on Edna Pontellier and her struggle between her increasingly unorthodox views on femininity and motherhood with the prevailing social attitudes of the turn-of-the-century American South.

Big Magic Elizabeth Gilbert

2015-09-22 The instant #1 NEW YORK TIMES Bestseller "A must read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious." -PopSugar From the worldwide bestselling author of Eat Pray Love and City of Girls: the path to the vibrant, fulfilling life you've dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert's books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how

to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the "strange jewels" that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy.

The McKinsey Way Ethan M. Rasiel 1999-02-22 "If more business books were as useful, concise, and just plain fun to read as THE MCKINSEY WAY, the business world would be a better place." --Julie Bick, best-selling author of ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT. "Enlivened by witty anecdotes, THE MCKINSEY WAY contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brainstorming." --Paul H. Zipkin, Vice-Dean, The Fuqua School of Business It's been called "a breeding ground for gurus." McKinsey & Company is the gold-standard consulting firm whose alumni include titans such as "In Search of Excellence" author Tom Peters, Harvey Golub of American Express, and Japan's Kenichi Ohmae. When Fortune 100 corporations are stymied, it's the "McKinsey-ites" whom they call for help. In THE MCKINSEY WAY, former McKinsey associate Ethan Rasiel lifts the veil to show you how the secretive McKinsey works its magic, and helps you emulate the firm's well-honed practices in problem solving, communication, and management. He shows you how McKinsey-ites think about business problems and how they work at solving them, explaining the way McKinsey approaches every aspect of a task: How McKinsey recruits and molds its elite consultants; How to "sell without selling"; How to use facts, not fear them; Techniques to jump-start research and make brainstorming more productive; How to

build and keep a team at the top its game; Powerful presentation methods, including the famous waterfall chart, rarely seen outside McKinsey; How to get ultimate "buy-in" to your findings; Survival tips for working in high-pressure organizations. Both a behind-the-scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem-solving techniques without peer, THE MCKINSEY WAY is fascinating reading that empowers every business decision maker to become a better strategic player in any organization.

The 80/20 Individual Richard Koch 2003-08-19 A new 21st century individualism is overtaking "corporation-as-king" capitalism, transforming the way we work and live. Today, real power rests in the hands of creative individuals like Bill Gates, Warren Buffett, Oprah Winfrey, and Steven Spielberg, who are changing the world one great idea at a time. In THE 80/20 INDIVIDUAL, Richard Koch reveals the secret of their success: they discovered what they do better than anyone else and rode it for all its worth. In this inspiring sequel to his classic bestseller THE 80/20 PRINCIPLE, Koch shows how to maximize success in your career and life by using the proven principle that 80 percent of changes in the world result from the most powerful 20 percent of actions and ideas. He'll show how to use your own powerful "20 percent spike" - your most creative ideas and unique skills - to measure the amount of value you bring to your employer, clients or customers. For most people, there is a huge disparity between their intrinsic value and the compensation they receive for their efforts. THE 80/20 INDIVIDUAL shows how to narrow that gap. Drawing from his own success as an entrepreneur, as well as from the stories of scores of companies and individuals who have flourished as a result of an 80/20 mind-set, Koch offers a step-by-step method to remodeling a career or existing business, or creating a new one - one that most benefits you. He provides valuable insights on finding 80/20 partners, hiring 80/20

employees, and running an 80/20 business. By building a team that supports your efforts and excels in areas where you lack experience or knowledge, you'll be able to focus your time and energy on your strengths. Productivity and profits will soar because you'll be doing what you do best and enjoy the most. By using the 80/20 strategies outlined in the book, you can take control of your career and financial future.

Unreasonable Success and How to Achieve It Richard Koch 2020-08-13 How do people of seemingly ordinary talent go on to achieve unexpected results? What can we learn from them? What are the ingredients for unreasonable success and how is it achieved? In this ground-breaking book, bestselling author Richard Koch charts a map of success, identifying the nine key attitudes and strategies can propel anyone to new heights of accomplishment. The pattern of success is fractal. It is endlessly varied but endlessly similar. Success does not require genius, consistency, all-round ability, a safe pair of hands or even basic competence. If it did, most of the people in this book would not have impacted the world as they did. Who could have predicted that Nelson Mandela, a once-obscure lawyer, could have averted disaster in South Africa, reconciling people of different heritages to each other and establishing a viable democracy? Or that Helena Rubinstein, a young woman growing up in the grotty ghetto of Kraków, could have changed the face of beauty throughout the world? Or that the illegitimate son of a notary would become one of the world's greatest painters, known universally by his first name, Leonardo? Successful people typically don't plan their success. Instead they develop a unique philosophy or attitude that works for them. They stumble across strategies which are shortcuts to success, and latch onto them. Events hand them opportunities they could not have anticipated. Often their peers with equal or greater talent fail while they succeed. It is too easy to attribute success to inherent, unstoppable

genius. With this book, you can embark on a journey towards a new, unreasonably successful future.

The 80/20 Principle Richard Koch
2012-01-01 Learn the time-tested secret of achieving more with less using the 80/20 Principle. Based on the counter-intuitive fact that 80% of results flow from 20% of causes, it is the guiding principle of highly effective people and organizations.

80/20 Triathlon Matt Fitzgerald
2018-09-18 A breakthrough program for triathletes -- beginner, intermediate, and advanced -- showing how to balance training intensity to maximize performance -- from a fitness expert and elite coach. Cutting-edge research has proven that triathletes and other endurance athletes experience their greatest performance when they do 80 percent of their training at low intensity and the remaining 20 percent at moderate to high intensity. But the vast majority of recreational triathletes are caught in the so-called "moderate-intensity rut," spending almost half of their time training too hard--harder than the pros. Training harder isn't smarter; it actually results in low-grade chronic fatigue that prevents recreational athletes from getting the best results. In 80/20 Triathlon, Matt Fitzgerald and David Warden lay out the real-world and scientific evidence, offering concrete tips and strategies, along with complete

training plans for every distance-- Sprint, Olympic, Half-Ironman, and Ironman--to help athletes implement the 80/20 rule of intensity balance. Benefits include reduced fatigue and injury risk, improved fitness, increased motivation, and better race results.

changing moment, people who are looking to realize what was missing in their hustle, people who were wanting to know the secrets of how others have become so successful and how they can become too.

The TB12 Method Tom Brady 2020-07-28

The #1 New York Times bestseller by Tom Brady, six-time Super Bowl champion and one of the NFL's 100 Greatest Players of All Time. Revised, expanded, and updated, the first book by Tampa Bay Buccaneers and former New England Patriots quarterback Tom Brady—who continues to play at an elite level into his forties—a gorgeously illustrated and deeply practical “athlete’s bible” that reveals Brady’s revolutionary approach to enhanced quality of life and performance through recovery for athletes of all abilities and ages. In this new edition of The TB12 Method, Tom Brady further explains and details the revolutionary training, conditioning, and wellness system that has kept him atop the NFL at an age when most players are deep into retirement. Brady—along with the expert Body Coaches at TB12, the performance lifestyle brand he cofounded in 2013—explain the principles and philosophies of pliability, a paradigm-shifting fitness concept that focuses on a more natural, healthier way of exercising, training, and living. Filled with lessons from Brady’s own training regimen, The TB12 Method provides step-by-step guidance on how to develop and maintain one’s own peak performance while dramatically decreasing injury risks. This illustrated, highly visual manual also offers more effective approaches to functional strength & conditioning, proper hydration, supplementation, cognitive fitness, restorative sleep, and nutritious, easy-to-execute recipes to help readers fuel-up and recover. Brady steadfastly believes that the TB12 approach has kept him competitive while extending his career, and that it can make any athlete, male or female, in any sport and at any level achieve his or her own peak performance. With instructions, drills, photos, in-depth case studies

that Brady himself has used, along with personal anecdotes and experiences from his legendary career, The TB12 Method gives you a better way to train and get results with Tom Brady himself as living proof.

The 80/20 Principle, Third Edition

Richard Koch 2011-11-09 Be more effective with less effort by learning how to identify and leverage the 80/20 principle: that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time accounts for 80 percent of the work we accomplish? The 80/20 Principle shows how we can achieve much more with much less effort, time, and resources, simply by identifying and focusing our efforts on the 20 percent that really counts. Although the 80/20 principle has long influenced today's business world, author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness, and improve our careers and our companies. The unspoken corollary to the 80/20 principle is that little of what we spend our time on actually counts. But by concentrating on those things that do, we can unlock the enormous potential of the magic 20 percent, and transform our effectiveness in our jobs, our careers, our businesses, and our lives.

Living the 80/20 Way Richard Koch 2011-02-22 'The 80/20 principle is the cornerstone of results-based living. The 80/20 Manager Richard Koch
2013-05-02 A large number of managers - especially in these difficult times - feel completely overwhelmed. Their inboxes are overflowing, they constantly struggle to finish their to-do lists and they stay at work longer than they would like to, leaving little time for the things that really matter. Luckily there is a way for managers to enjoy work and build a successful and fulfilling career without stress or long hours. In his bestselling book *The 80/20 Principle*, Richard Koch showed readers how to put the 80/20 Principle - the idea that 80 per cent of results come from just 20 per cent of effort - into practice in their personal lives. Now he demonstrates the few things you need to do in the workplace to multiply the results you achieve. By applying the strategies outlined in *The 80/20 Manager*, you will:

- Put in fewer hours than your colleagues yet never be short of time
- Learn to focus only on the issues that really matter, and ignore those that don't
- Achieve exceptional

results by working less hard - Feel successful every day
