incorporating visual drawings as the focus of the thoughts and revelations. It is perfect for performers looking to present a visual book test routine. The 260-page 5.5" x 8.5" book is in the form of an English language guide for travelers which gives motivation for the book content, layout and format. From a presentation point of view, the English language guide for travelers also allows for a variety of interesting introductory patter presentations. The nature of the book makes it perfect for shows for corporate events, travel fairs, tourist attractions, cruise ships, schools & libraries. The full "Unwritten" routine consists of two different basic effects. Effect 1 - Any Word Drawing A spectator opens the book to any page and chooses a word describing something that she can visualize in her mind. Without asking for the page number or any specifics of the word (such as the length of the word or the letters it contains), the performer correctly draws out the image that the spectator is visualizing.

Effect 2 - Imagined Drawing Prediction A spectator opens the book to any page and mentally selects a word from the last line of a chosen paragraph. She makes a simple drawing that represents the word and then uses her imagination to add to the sketch to make it into a larger picture. A sealed envelope that has been in full view from the start of the show is opened to reveal a prediction drawing that correctly matches the spectator's imagined drawing! Note: Instead of a prediction, you can perform the effect as a drawing duplication. Both effects can be performed individually or together to form a complete routine. The routine can be performed in casual settings or close-up, parlour and large-scale stage shows. "Unwritten" includes the following features: - Can be Performed Completely Hands Free - The Book Can be Freely Examined During Performance - No Pumping for Page Numbers, Length of Word or Specific Letters - No Peeks - No Switches - No Pre-Show Work -

No Sleight of Hand - No Memory  
Work or Cribs - No Assistants -  
Large Fonts Make the Text Easy  
to Read - Can Be Performed

to effect real change in the world. Through years of incisive election coverage, Jon Stewart's emotional monologue in the wake of 9/11, his infamous confrontation on Crossfire, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, the Indecisions, Mess O'Potamia, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
